EXPERIENCE

Blue-Leaf, Tattenhall — *Front End Developer*

JULY 2015 - PRESENT

Working as a part of a full stack team developing highly usable websites for clients in both the entertainment and ecommerce industries

Working with both a bespoke built Symphony platform and multiple clients based on the Venda ecommerce platform.

Kent House Consulting, Crewe — *Front End Developer*

AUGUST 2013 - MAY 2015

Working mainly with the Wordpress platform for multiple clients in the Optical and Travel industries

Producing bespoke WP Themes and plugins as required and updating/maintaining existing client websites.

CSI Media, Crewe — *Front End Developer*

APRIL 2011 - AUGUST 2013

At CSI Media, my main duties were upgrading a legacy ASP codebase used to power a travel comparison platform, development of bespoke front end systems and interfaces, refactoring of legacy CSS and JS to fall in line with current best practices and frameworks.

Nixia LTD, Stoke on Trent — *Web Developer*

JULY 2009 - FEBRUARY 2011

Bespoke and custom built websites for a huge range of industries mainly using Classic ASP, debugging and optimisation of existing applications, search engine optimisation.

Dynamic Design Services, Crewe — *Web Developer*

APRIL 2006 - JULY 2008

Planning, Design and Production of database driven ASP web applications for both internet and intranet for a diverse client base, debugging and optimization of existing applications, Search engine optimization.

SKILLS

HTML5, CSS3, Javascript, jQuery, SASS, Grunt/Gulp, Wordpress, Angular, React, PHP

PROJECTS

Over the past 10 years I've been lucky enough to work on some pretty amazing projects for some quite high profile clients, such as Red Bull Racing, Red Bull Media House, Laura Ashley, Bonmarche and Lifestyle Sports to name a few.
